## Summary

A passionate and dedicated web developer with strong foundational knowledge in front-end technologies. Skilled in HTML, CSS, JavaScript, React, and continuously learning new tools to improve my skills. Proven ability to create user-friendly websites and work on practical projects that solve real-world problems.

## Technical Skills

- **Languages:** HTML, CSS, JavaScript, Python
- **Frameworks:** React, Node.js
- **Tools:** Git, Visual Studio Code, Figma, Photoshop
- **Others:** Responsive Web Design, Web Development, Debugging

## Education

**Bharathidasan University (CDOE)** – Tiruchirappalli

*Bachelor of Computer Applications (BCA) (Incomplete)*    2022–2025 (2 Years Completed)

Relevant Coursework: Web Development, Data Structures, Object-Oriented Programming, Database Management

## Projects

### Personal Portfolio Website

*Technologies Used:* HTML, CSS, JavaScript

Developed a personal website to showcase skills and projects. Led the development of a responsive layout, contact form, and portfolio section.

### Weather Forecast App

*Technologies Used:* React, JavaScript, CSS

Built a web app to show live weather updates based on user location using the OpenWeatherMap API. Implemented API calls, designed the UI, and created interactive components.

### Task Management App

*Technologies Used:* HTML, CSS, JavaScript, Firebase

Developed a task management application where users can create, update, and delete tasks. Built both the front-end and back-end, integrated Firebase for real-time data storage.

## Certifications

- Introduction to Web Development – freeCodeCamp
- JavaScript Algorithms and Data Structures – freeCodeCamp
- Responsive Web Design – freeCodeCamp
- Python for Everybody – Coursera

## Experience

**Freelance Web Developer**    January 2023 – Present

Developed and designed responsive websites for small businesses, personal projects, and clients. Worked directly with clients to understand their needs, provided custom solutions, and deployed websites.

*Technologies Used:* HTML, CSS, JavaScript, React

## **Additional Information**

- Available for full-time roles, internships, and freelance opportunities.
- Passionate about learning new technologies and contributing to open-source projects.
